As a web developer and machine learning engineer, I create user-friendly websites and teach computers to understand data. Whether I'm building websites or training models, my goal is to combine creativity and technical skills to deliver top-notch solutions.

EDUCATION

Sagar Group of Institutions- SISTec, Ratibad Campus, Bhopal- MP
B. Tech.-Artificial intelligence & Machine Learning Engineering CGPA: 7.42/10 (2021-2025)

Govt. Higher Secondary School, Charegon Balaghat
12th | MP Board | 74% (2020)

Govt. Higher Secondary School, Charegon Balaghat
10th | MP Board | 71% (2020)

WORKSHOPS

SISTec Innovation Hackathon 2.0
Sagar institute of science technology & research Bhopal
09/2024 - 10/2024

Data Analytics Course
Geeks of Gurukul
12/2024 - 12/2024

Flair Haven's Data Structure & Algorithm's
ISTE SC MANIT's Version Beta 6.0
06/2023 - 07/2023

Machine Learning Workshop
Sagar Institute of Science Technology & Research
03/2024 - 04/2023

Web Fronted Workshop
Sagar Institute of Science Technology & Research
05/2023 - 06/2023

Image Processing
Sagar Institute of Science Technology & Research
06/2023 - 06/2023

SKILLS

PROJECTS

Face Detection from Blur and Unclear Images (12/2023 - 04/2024)
- The Police Department struggles with blurry images, hindering face detection and investigation efforts. A robust deblurring algorithm is needed to improve detection rates and reduce false positives, aiding in identifying individuals and solving cases.

Myntra Website Clone (06/2024 - 02/2024)
- Developed a Myntra clone, showcasing proficiency, UI/UX design, and implementing personalized recommendation system.

Image Correctness Analysis in Puma t-shirt (01/2024 - 01/2024)
- Developed an image correctness analysis system for puma T shirt with computer vision & ML, ensured accurate product image validation, brand consistency.

CERTIFICATES

• Completing Data Structure and Algorithm's by Manit institute.

• Participating Sistec Innovation Hackathon 2.0

• Certification in Html.

• Completing Certificate in JavaScript.

• Certification in Web Development Simplilearn.

• Completing Certificate in CSS.
